It's More Than Just a Piano

Suzuki introduces a Mini-Grande Digital Piano that's not only beautiful to look at, but fun for the whole family. A powerful musical instrument, the GP-3 is packed with features that combine technically advanced performance with traditional elegance and hand rubbed lacquer cabinet. Perfectly proportioned, the GP-3 fits any sized room or décor. Hundreds of pre-recorded music disks are available to set just the right mood.

The GP-3 is a digital piano that never needs tuning or maintenance. An amazing combination of 128 voices, rhythms and recording features create endless musical possibilities. Advanced balanced graded hammer action keyboard delivers authentic

Grand Piano touch (teacher recommended) while stereo and 3D instrument voices create astonishing acoustic sound realism. A host of auto accompaniment features include 100 professionally arranged accompaniment styles. Compose and save your own songs with the on board 5 track recorder. Save and playback practice sessions on either floppy disk or SD Memory Card. Sing along with music disks. Karaoke lyrics can be displayed on the piano or through your TV with included cable!

Suzuki's new GP-3 Mini-Grande Digital Piano. It's a whole new world of music, fun and entertainment for the whole family.
